LIGHT BALANCE

November – December, 2015

Light Balance lets you explore an incredible synchronization of lighting effects and music showcasing a Hi-Technology of neon and LED show with fantastic elements of acrobatic and dance choreography. The Light Balance team from Ukraine was founded in 2012 and became widely known as the outstanding semi-finalist from Ukraine's Got Talent Season 5 and Britain's Got Talent Season 8. The group have also performed as special guest for some of the top international companies such as Volkswagen, Coca-Cola, Staples, Oriflame and Amway.

Light Balance is a show filled with jaw-dropping acts from world class acrobats. The show portrays a mad scientist in a race against time from the destruction of his planet. He will do everything in his power to stop this even if it means searching in other planets of the constellation for a solution. In his adventures, he found love. A love that came alive with a 'Heart Beat'.

The group creates a world of colourful images of neon and develops genres and styles of light show that constantly add to the line-up of exhilarating feats onboard SuperStar Gemini.
